| <b>3 key points to be communicated from the meeting</b> |  |
| <b>1</b>  | <p>Children and Young People's Plan (CYPP) Priority 13 - Improving Governance and Commissioning. The action plan is being updated based on:</p> <ul style="list-style-type: none"> <li>• Improving Function of the Board,</li> <li>• Consult, agree and implement new structure for Board</li> <li>• Develop local capacity for commissioning</li> </ul> <p>This in turn links to the Terms of Ref for the CTB and it is here that I believe that the VCS needs to seek to ensure continued representation acknowledging that there is not a statutory obligation to have a VCS rep.</p> |
| <b>2</b>  | <p>Children's Trust Structure: an initial options paper was circulated for comment based on the options of clustering meetings around:</p> <ul style="list-style-type: none"> <li>• Themes (as at present)</li> <li>• ECM Outcomes (as per Coventry, Hampshire)</li> <li>• Geographical localities (as per Kent)</li> <li>• Age ranges (as per E Sussex, Buckinghamshire)</li> </ul> <p>This will be subject to further discussion at the Dec meeting - any VCS orgs with a view should share them now.</p>  |
| <b>3</b>  | <p>Increase in the numbers of female first time entrants (especially 12-14 year olds), this was raised as it appears to buck SE trends. Further analysis is being undertaken.</p>  |
