<b>3 key points to be communicated from the meeting</b>	
<b>1</b>	<p>Children and Young People's Plan (CYPP) Priority 10 - Prevention and Early Intervention.</p> <p>The majority of the meeting was given over to feedback from a consultation feedback event that had taken place in the morning about this new strategy. The morning event was well attended by VCS orgs and primarily reviewed 2 proposals to establish:</p> <ul style="list-style-type: none"> <li>• CAF Coordinating Team: consisting of 6-8 people who would provide support with CAF (Common Assessment Framework) and provide a quality function to allow CAF to be used in the identification and allocation of resources between agencies and citywide.</li> <li>• Age related Panels: aimed at unblocking barriers to resource when other options have been tried and not seeing progress. Age groups are: 0-5, 5-13, 13-19 and Complex Families.</li> </ul> <p>The CTB approved taking these ideas forward for implementation from January 2010.</p>
<b>2</b>	Children's Trust Board Terms of Reference: approved with the inclusion of Deputies for all Reps - VCS has nominated Jo Eamey as deputy.
